

# Gathering Memories

## A Holcombe Moor Heritage Group project

Holcombe Moor Heritage Group would like YOUR help!

We would like to gather and record memories of what it was like to live in our local area in the recent past. We are particularly interested in memories of Holcombe Village, Holcombe Brook, Greenmount, Ramsbottom, Tottington and Walshaw. If you have any memories or experiences you would like to share there are several ways you can do this.

- ◆ Complete the form on the back of this sheet and return to 6 Thomason Fold, Turton, BL7 0PD. Additional forms will be available to print from our website at [www.holcombemoorheritagegroup.org](http://www.holcombemoorheritagegroup.org).
- ◆ Email your memory to [hmhg.memories@btinternet.com](mailto:hmhg.memories@btinternet.com)
- ◆ Record your memory orally into a voice recorder at home, for example a smartphone or tablet and email as an attachment to [hmhg.memories@btinternet.com](mailto:hmhg.memories@btinternet.com)
- ◆ Arrange for members of our group to interview and record your memory at your home. Please contact us by emailing [hmhg.memories@btinternet.com](mailto:hmhg.memories@btinternet.com) to arrange this.
- ◆ Send your memory as a Facebook message to Holcombe Moor Heritage Group

Every memory or reminiscence will count in this project, no matter how brief!

We are also looking for photographs, documents or artefacts that are related to life in the past in the local area. Please contact us via email on ..... If you have anything that may be helpful to us. Why not get your friends and neighbours involved in this project too?
